# ERRATA.

Page 198, equation (3), instead of  $\frac{\sin \theta}{m}$  ... read  $\frac{\sin \theta}{md}$  ...

Page 199, equations (4) and (5), the polarization factor was by inadvertence written  $1 + \cos^2 2\theta$  instead of  $\frac{1 + \cos^2 \theta}{2}$ . Put a  $1/2$  factor to  $\phi(\theta)$ .

Page 205. In the 12th line, instead of  $s=1.3$ , read density 1.3 (about).

Page 205. In the last line of the text instead of  $f_{D(111)}=3.7$ , read  $f_{D(111)}=2.7$ .
